Dear Ms. Klutz:

We regret that neither you nor your deputy could attend the Board of Podiatric Medicine's meeting today in San Francisco. We have directed staff to invite you to any of our 2004 meetings.

Our Department of Consumer Affairs Legal Office has forwarded the August 11 USDHHS correspondence, subject: "Supervision of CRNAs in Federally Certified Ambulatory Surgery Centers." We hope this will put this matter to rest and look forward to establishing liaison with your office. We are prepared to work jointly with you to co-sponsor legislative clean up of any ambiguities that may be identified in the complex body of law.

We appreciate the resolution of this matter and look forward to meeting you in the near future.

Sincerely,

Anne M. Kronenberg, MPA
